Sebring - Mid-Century Modern Acacia Buffet

The Sebring Buffet is a gorgeous accent for your dining room. The dark acacia veneer is striking against a colorful wall in your dining room. The wooden furniture plug legs complete a mid-century silhouette. Open shelving offers you the ability to show off your china or trinkets while the large cabinets magnetically close, hiding unwanted clutter. The Sebring Buffet is the perfect addition to your contemporary, Industrial, or Mid-century home.
